Open Up the Future

Mitsubishi Tanabe Pharma Corporate Report 2018
To foster a deeper understanding of the Group among stakeholders, Mitsubishi Tanabe Pharma prepares a variety of communications tools in addition to disclosure materials.

**Providing Information about Initiatives Targeting Sustained Growth**

Mitsubishi Tanabe Pharma prepares this report to provide information to its shareholders, investors, and other stakeholders about the Group’s initiatives targeting sustained growth. This report, which was prepared with reference to the framework released by the International Integrated Reporting Council (IIRC)*, is positioned as the Group’s integrated report. Its principal sections comprise reports on value creation over the short, medium, and long term. The business model for value creation is explained in the business overview section, initiatives to create value are covered in the business strategy section, and initiatives to support value creation are described in the ESG section.

* Private-sector organization established in 2010 by private-sector companies, investors, accountants’ organizations, and government institutions to develop an international corporate reporting framework.

**Providing Information about Initiatives Targeting the Sustainable Development of Society**

Mitsubishi Tanabe Pharma provides information on the CSR website to a wide range of stakeholders, including patients, health care professionals, shareholders and investors, local communities, and employees, about the principal CSR activities implemented in fiscal 2017 (initiatives targeting the sustainable development of society). This website includes information about specific initiatives based on the corporate philosophy, presented in accordance with the ISO 26000 core subjects. Other sections on the website include the VOICE section, which contains messages from employees and outside parties related to those initiatives, and the data section, which contains related data.

**Inclusion in SRI Indexes**

Mitsubishi Tanabe Pharma’s initiatives in the area of CSR activities have been highly evaluated, and we have been included in the following SRI indexes.

* Indicators of socially responsible investment, which utilizes evaluation / selection standards that consider not only corporate financial matters but also social responsibility.

**Other Communications Tools**

To foster a better understanding of the Group’s businesses among a wide range of stakeholders, Mitsubishi Tanabe Pharma has created a corporate website and prepared a corporate profile in pamphlet form.

**Corporate Communications Tools**

In addition to corporate information, the Group has prepared a variety of specialized sites, such as an investor relations site for shareholders and investors and a health support site.
Forward-Looking Statements

Statements contained in this corporate report that are not historical facts are forward-looking statements that reflect the Company’s plans and expectations. These forward-looking statements involve known and unknown risks, uncertainties, and other factors that may cause the Company’s actual results, performance, or achievements to differ materially from those anticipated in these statements.

Application of IFRS

To improve the international comparability of financial information in the capital markets, the Company has adopted IFRS effective from fiscal 2016. Figures for fiscal 2015 are also presented in accordance with IFRS.
