# Corporate Communications Tools

To foster a deeper understanding of the Group among stakeholders, Mitsubishi Tanabe Pharma prepares a variety of communications tools in addition to disclosure materials.

## Providing information about initiatives targeting sustained growth

### Mitsubishi Tanabe Pharma Corporate Report 2019

Mitsubishi Tanabe Pharma has prepared this integrated report to inform various stakeholders including shareholders and investors about the Group's initiatives targeting sustained growth. In editing this report, we referenced the framework released by the International Integrated Reporting Council (IIRC)<sup>1</sup>. The Value Creation Story introduces our long-term value creation capability in an easy-to-understand format, and the Business and Financial Strategy, Non-Financial Information, and Management's Discussion and Analysis sections explain in detail the initiatives and data for each of our businesses that support value creation.

1. Private-sector organization established in 2010 by private-sector companies, investors, accountants' organizations, and government institutions to develop an international corporate reporting framework.

## Providing information about initiatives targeting the sustainable development of society

### CSR Website (within the Corporate Website)

Mitsubishi Tanabe Pharma provides information on the CSR website to a wide range of stakeholders, including patients and their families, healthcare professionals, shareholders and investors, local communities, and employees, about the principal CSR activities carried out by MTPC (initiatives targeting the sustainable development of society). This website includes information about specific initiatives based on the corporate philosophy, presented in accordance with the ISO 26000 core subjects. Other sections on the website include the VOICE section, which contains messages from employees and outside parties related to those initiatives, and the data section, which contains related data.
