Mitsubishi Tanabe Pharma Supports Relief Efforts for Haiti Earthquake Disaster

Mitsubishi Tanabe Pharma Corporation (Head office: Osaka, Japan, President & CEO: Michihiro Tsuchiya) announced today that the Company will provide 10 million yen in financial support for efforts to relieve the victims of the recent earthquake in the Republic of Haiti.

This support includes helping relief efforts in the disaster-stricken area through our 10 million yen donation to the Japanese Red Cross Society.

We extend our deepest sympathy to the victims and truly hope that the affected area will be restored as soon as possible.
