### **Mitsubishi Tanabe Pharma Supports Japan Earthquake Relief Efforts**

March 14, 2011, Osaka, Japan---Mitsubishi Tanabe Pharma Corporation announced today that the Company will donate 100 million Japanese yen to the Japanese Red Cross assisting relief efforts and reconstruction of areas hit by the earthquake. In addition, the Company is to donate pharmaceutical products of both ethical and OTC drugs.

Choseido Pharmaceutical Co., Ltd. (Head Office: Tokushima, President: Hisaaki Harima), one of our equity-method subsidiary, will also make a donation of 10 million Japanese yen.

Mitsubishi Tanabe Pharma will do our utmost in manufacture and stable supply of our products working closely with business partners not to make patients and medical professionals concerned.

We extend our deepest sympathy to the victims and truly hope that the affected area will be restored as soon as possible.
