Press release

Mitsubishi Tanabe Pharma Corporation

**Notice regarding overseas subsidiary MT Pharma (Thailand)
Strengthening business development in the ASEAN region**

Mitsubishi Tanabe Pharma Corporation (Head Office: Osaka; President & Representative Director: Masayuki Mitsuka) announced today that overseas subsidiary MT Pharma (Thailand) Co., Ltd. (MTPT), commenced sales activities for Mitsubishi Tanabe Pharma products in Thailand on April 3, 2017.

The region covered by the 10-member Association of Southeast Asian Nations (ASEAN) is recording strong economic growth, and the region's pharmaceutical markets are expanding. Mitsubishi Tanabe Pharma considers the ASEAN region to be an important market. The Company has a manufacturing and sales base in Indonesia, which is the largest ASEAN market, and recently established MTPT in Thailand, which is the second largest market in ASEAN. MTPT has commenced sales activities, and moving forward MTPT will work to further reinforce the presence of Mitsubishi Tanabe Pharma's products in Thailand. Moreover, by strengthening its business foundation, MTPT will strive to deliver high quality drugs to patients in Thailand more quickly.
